

Virtual Mental Health Expo

Dear Colleagues,

The Mental Health Foundation Australia is inviting you to participate in the Virtual Mental Health Expo on the 19th of October as a part of the National Mental Health Month 2020.

The Virtual Mental Health Expo is a digital space for mental health professionals, social workers, and allied health providers to discover the latest innovations, products and services in treatment and management. The virtual expo also provides an opportunity for the organisations in the mental health sector to connect with professionals, consumers and carers who are interested in finding out about your service.

There is only a limited capacity, so please book as soon as possible as these will go quickly. Participation in this event as an exhibitor is **free of charge**.

We welcome you to become an exhibitor to connect and grow your network of industry connections and to reach out to the general public.

To register your interest to exhibit at the event, please complete the application from overleaf and return by Monday 14th September via email to admin@mhfa.org.au

Event details

Date: Monday 19th October 2020

Time: 10:30am—3.00pm
